

Safeguarding Policy for the Benefice

Chebsey, Ellenhall, Ranton and Seighford

1. We recognize that everyone has different levels of vulnerability and that each of us may be regarded as vulnerable at some time in our lives.

- We recognise that a position of power in relation to another creates a risk of vulnerability. As a consequence we strive to ensure that we consider power when working and leading with people.
- We recognise that children by virtue of legal status and dependency on adults for their emotional and physical needs will always be vulnerable and at a disadvantage. We commit to considering this in our children's activities– undertaking supervision of staff working with them and risk assessing activities and groups as a check and balance in our work.
- We understand that illness, disability, race, mental health and other issues can put adults in a position of vulnerability. We accept that these can be long term (ongoing), or temporary. We commit to considering this in our adults activities and events – undertaking supervision of staff and risk assessing activities and groups as a check and balance in our work.
- We commit to transparency in our actions and accountability for our work.

2. As members of this parish we commit ourselves to respectful pastoral care for all adults and children to whom we minister.

- We will consider issues relating to spiritual care in our services and ensure we consider power, control and spiritual abuse issues in our ministry.

- We will actively (but appropriately), challenge each other in our work in order to ensure we consider a wide range of perspectives and views– ensuring that we do not oppressively impose our own values or views to another's detriment.
- Where a person struggles with a activity due to disadvantage, disability or illness we will go the extra mile to assist them so they can participate and contribute as a full part of the church.

6. It is the responsibility of each of us to prevent the physical, emotional, sexual, financial and spiritual abuse of vulnerable people and to report any such abuse that we discover or suspect.

- We will not collude, keep secrets or make decisions when we have suspicion of abuse. - We will report without being biased to our personal view. We will report and not investigate.
- We will record concerns factually in diocese suggested formats (as per recording with care policy 2017)
